THE LIGHTING THE CHRIST CANDLE

Rev. Laffoon

*Rejoice and be glad: your burdens are lifted, your captivity is ended! The Lord's great light pierces the darkness, breaching the walls of our prisons, revealing the way of true freedom. Light, love, and salvation have come to us this night. Christ is born, and with Christ, we are born anew! That which we have hoped for, the peace we have sought, the joy we have longed for, and a love that we will never understand all come together in this one night, and in this one child.*

COMMUNION

Tonight we celebrate communion through the breaking of a common loaf and the remembrance of the shared cup. There are two tables located at the front. Each group will observe this special service as families, as friends, and as brothers and sisters in Christ.
